RE: -special places -winter/spring festivals Art: -Henri Matisse -Jean Michel-Basquiat
More detail is available in the curriculum area of our school website.			

If we have extra time at home, this is a good way to help us improve our learning:

Please encourage your child to write for a purpose, such as lists, labels, letters and cards for their friends.

Please continue to listen to your child read and write in their reading record.

We post a weekly round-up on a Friday with further information.

Mr Nash, the Learning Mentor, can normally help sort out any worries or problems about school life. He or senior leaders are on the playground before school each morning or can be contacted via the office.

Our class teacher(s) are always happy to talk to parents and carers about how to help children improve their learning. Catch them at the end of the day to arrange a time to talk, or leave a message at the office. (At morning circle time messages are best passed on via the office/Learning Mentor or senior staff as teachers are greeting the children and starting the day.)
